

VACANCY: JUNIOR INVESTMENT ANALYST – MULTI-ASSET

Job description:

We are currently seeking for a bright and enthusiastic individual to join our growing multi-asset investment business.

The purpose of this role is to provide essential, high-quality support and assistance to the investment team. Working in this role, the successful candidate will have a key insight into the investment process of the fund management industry. Working directly alongside our investment managers, the individual will gain training and experience in multi-asset investing.

Key responsibilities include daily position reconciliations between multiple system, trade executions, producing investment reports and slides for investment meetings and involvement in various ad hoc projects.

Candidate Profile:

- 0-2 years of relevant experience.
- BSc in Finance or other Investment related subject.
- High level of attention to detail and numerical accuracy
- Interest in financial markets
- Excellent communication skills, with strong written, and oral, English
- Positive can-do attitude and approach
- Friendly and outgoing
- Self-motivated and hard-working
- Strong computer skills (Excel, word)

Application deadline:

31st January 2024

This job description is not meant to be an all-inclusive list of duties and responsibilities but constitutes a general definition of the position's scope and function in the company.
