

DEFENSIVE PORTFOLIO

31ST DECEMBER 2018

OBJECTIVE

This active Focus portfolio has a lower minimum investment and carries a lower cost than our Premier portfolios, investing in just the core holdings from our Premier Defensive portfolio. It comprises of investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Asset classes you could find in this portfolio are government bonds, corporate bonds, alternatives and cash. Absolute return, property and commodities may all feature within the alternatives classification.

Focus Defensive seeks to generate modest returns higher than cash in the bank over the medium term with potential for consistent though constrained capital growth. The portfolio has a more defensive approach to equity exposure compared to Focus Cautious - typically comprising of 15% equity and 85% non-equity - though weightings may deviate within set parameters, allowing our managers to react to market conditions.

CURRENT ASSET ALLOCATION

*Absolute return, property and commodities may all feature within the alternatives classification
