SPECULATIVE PORTFOLIO

tampremier

31st DECEMBER 2018

OBJECTIVE

Exclusively available to our Premier clients, this Speculative portfolio comprises of a wide range of diversified investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Asset classes you could find in this portfolio are government bonds, corporate bonds, alternatives and cash. Absolute return, property and commodities may all feature within the alternatives classification.

Premier Speculative seeks to generate aggressive capital growth over the longer term and can experience very high levels of volatility in both the short and longer term. The portfolio will have a much higher high exposure to equities compared to Premier Adventurous - potentially comprising of 100% equity - though weightings may deviate within set parameters, allowing managers to react to market conditions.

CURRENT ASSET ALLOCATION
